

## News Release

Mammoth Community Water District  
PO Box 597, Mammoth Lakes, CA 93546  
760-934-2596

**FOR IMMEDIATE RELEASE: July 20, 2021**

**CONTACT: Jeff Beatty**

### **NEW Bill Pay and Water Usage Customer Portal Available to MCWD Customers**

*The new Customer Portal allows customers to pay their bill and view their property's hourly usage.  
Water usage information can help identify leaks and unintended usage.*

**Mammoth Lakes, California** – The Mammoth Community Water District (MCWD) is excited to announce a new Customer Portal that allows customers to conveniently pay bills online. Additionally, customers can access detailed information about water use on his or her property; such as hourly usage and the ability to monitor for leaks. The portal provides one convenient location to view/pay bills and track water consumption.

Sign up for the new portal on your mobile device or web browser at <https://mcwd.dst.ca.us/>. To sign up for this free service, simply enter your new MCWD account number found at the top right corner of your monthly bill or give us a call at 760-934-2596. In fall of 2021, the existing WaterSmart portal will no longer be accessible, so switch over today.

MCWD hopes all of our customers; locals, second home owners, and business owners alike, will take advantage of this valuable and easy to use tool. We look forward to working closely with each of you to make Mammoth Lakes a more sustainable and drought tolerant community.

**LOOK AT THIS!**  
Please sign up for MCWD's new Customer Portal to:

- Access and manage your account 24 hours a day, 365 days a year
- View hourly consumption, payment history, and statements
- Set water usage alerts
- Make one-time or automatically recurring payments
- Go Paperless!

Set up your new customer portal account today!

###

MCWD provides water and wastewater utility service to the Town of Mammoth Lakes and surrounding areas. MCWD strives to provide reliable, affordable utility service to our customers and to conduct our operations in a manner reflecting our stewardship role. We encourage our customers to practice responsible use of our limited water resources, and to take advantage of the information and services available to support this goal.
