Temporary Hydrant Meter Service Agreement

MAMMOTH COMMUNITY WATER DISTRICT (District) is hereby requested to furnish temporary water service through a hydrant meter. In consideration for such service, the Requestor agrees with the District as follows:

1. Temporary water service through a hydrant meter is governed by District Water Code (Chapter 12, Section 3.14). Requestor agrees to abide by District Water Code, as amended from time to time;
2. That the District is granted access for activities related to meter installation, uninstallation, and reading upon premises;
3. That this application, when approved by the District, constitutes a contract between the Requestor and the District and the Requestor acknowledges that he/she understands the deposit and monthly charges applicable to his/her construction site as defined in the District's annual Master Fee Schedule. Monthly billings will be provided according to District billing procedures;
4. That Requestor understands the contact information furnished on this application shall be used by District for billing and correspondence purposes, agrees to inform the District of any change in the information provided, and understands the District will assume no responsibility in connection with the monthly billing, leak notifications, or violation notices if a change of information is not given to the District;
5. That all information provided on this application is correct.
